#### Poor market to-day.

STRANGERS, read our church calendar.

Mr. James Fleet continues to improve.

The lighter Modoc is on the way, being repaired.

A PLEASANT time was had at the neck tie festival last night.

WON'T somebody get up that dog fight that has been so long talked of.

We learn that Mount Olivet Council will give an excursion down the river in a few days.

Mr. JAMES SPURNT left for Europe yesterday, where he intends remaining several months.

"It is said that there is nothing new under the sun." Anyhow we will have a new Postoffice sometime in August.

A COSTLY PA(1)NE—\$5.—A young man of this city paid for one. For further particulars call on Front street.

On the arrival of the Pioneer a sail, just the thing for the Little Walter will be brought out, and then she'll be all "rectus."

Who ever heard of a skillett being tried for disorderly conduct? We have—at least such was the case before His Honor this morning.

THE greatest turnout that ever happened in Wilmington, will be the procession on Memorial day. Vast preparations are being made.

The Rev. W. J. Parkinson preaches at Walnut Hall to-morrow (Sunday) morning and night. He will also organize a Sabbath School to-morrow morning.

THE members of the Hook and Ladder Company are requested to meet at the Truck House on Monday afternoon at 2 o'clock, to join in the procession. See advertisement.

MR. R. BEASLEY, who was injured badly yesterday while on his way home, by the horse running away and throwing him out of the cart, is reported to be suffering very much to-day.

We are informed that the meeting of the retail liquor dealers will be held on Tuesday afternoon at 3 o'clock, at Brock's Exchange, instead of Monday, as we stated on Wednesday.

AN antidote for tobacco-chewing rosin—our devil says he has tried it, when he had no tobacco, and it acts like a charm. His discovery he now presents free gratis to the readers of the Post.

Any one doubting Wilmington's being the greatest naval store market in the world, let him take a stroll along our wharves, and behold for himself the piles upon piles of naval stores waiting shipment.

WONDERFUL—The denizens of Princess street, adjacent to the Post, were called to their doors yesterday afternoon by the extraordinary noise occasioned by a horse barking up a tree. His owner succeeded however in bridling his appetite.

THE Yacht Retta is being thoroughly repaired, and her friends and sympathizers all say that the like has not been seen, the way she'll glide through the waters, distancing all her rivals. We are not partial, consequently we cannot prophecy. Mum is the word.

TALK about your stary nights for a ramble, your Broadway for a promenade, the weather we are now enjoying, and Water street from the Gas House to Chadbourne's extensive saw mills, just beat all those things hollow. If you don't believe it just try the experiment.

THE EXPERIMENT—The barge Experiment, now in course of construction by Messrs. Lemmerman & Coney, will be completed about Tuesday, and a grand free excursion for the benefit of their friends and acquaintances will be given on Wednesday or Thursday. The barge is a beautiful thing, and provided with ample conveniences, and no doubt the Experiment will prove a success. Should it do so, the Captain informs us that he shall construct a larger and more beautiful one, for the benefit of excursionists next season.

#### Mayor's Court.

His Honor W. P. CANADAY, Mayor, presiding.

The following were the only cases disposed of this morning, viz:

William Skillett, for disorderly conduct, fine \$10 and costs, or 15 days on the streets.

Phillis Moore, for disorderly conduct. Judgment suspended on payment of costs.

Robt. Miles, for selling liquor on Sunday. Judgment reserved.

THE number of carts in market for the past week, 123.

THERE was slaughtered for market purposes during the past week, 11 beefs, 17 hogs, 72 sheep, 1 goat.

TO CLOSE.—At a meeting held this morning at the Produce Exchange, it was decided to close the Exchange at 12 o'clock Monday, in respect to Memorial Day.

ARRIVED.—A dispatch was received here this morning from Capt. Julius Potter, stating that the Emma Dunn, having in tow the steam dredge, arrived safely at Norfolk this morning.

THE following delegates have been appointed to the Republican Congressional Convention, of the 3rd District from this county: W. H. Gerken, L. E. Rice, J. H. Smythe, Jno. H. Whitman, Geo. W. Price, Geo. L. Mabson.

J. C. GORMAN, Adjutant General of the State, and a practical printer, is in the city and made a call on us this morning. General Gorman represents the outlook as very promising for the Republican party in the coming campaign, and that we are gaining everywhere.

SERIES OF MEETINGS.—Daily morning prayer meetings are now going on from 7 to 7 1/2 o'clock, in the First Baptist Church, and there is preaching every night at 8 o'clock. The congregations show interest, and the ordinance of baptism will be administered again to-morrow (Sunday) night.

COL. NELL MCKAY passed through our city last night. The Democratic enthusiasm in the upper part of the district was effectually quenched by the nomination of Waddell and the shoudering of back pay. The people say they will not go back upon their declarations to gratify any set of politicians or any individuals.

SENT TO JAIL.—Samuel Hayes, for stealing the sum of \$200 from Jackson Sellers, on last Wednesday morning, was tried before Justice Van Amringe this morning, and his guilt was of such a character as to warrant the Squire in demanding the sum of \$300 bail, in default of which he was placed in jail, there to rest until the next term of the Superior Court.

PAINFUL.—By an eye witness we learn that the Mayor and Board of Aldermen held a meeting this morning to assess the amount of damages occasioned by a young man's head piercing the window pane Thursday night at the grand collation. It is said he wanted another glass, but had forgotten that there was a brick in his hat, which accounted for the glass being broken. He was discovered with a pain in his head this morning.

GRAND UNITED ORDER ODD FELLOWS.—Past Grand Master A. Maultsby, accompanied by P. N. F. W. H. Shaw, will leave here on Wednesday next for Newbern, for the purpose of enquiring into the utility of establishing a Lodge of their Order in that city. D. M. J. R. Cutlar, assisted by Grand Masters J. E. King and J. H. Brown will go to Raleigh on Wednesday next for the purpose of organizing a new Lodge there. This order is represented as being in a flourishing condition in this State.

ROOMS REP. DISTRICT COMMITTEE, Wilmington, N. C., May 9.

The District Convention to nominate a Republican candidate for Congress will meet at Fayetteville, N. C., on the 19th instant. Each county will be entitled to as many delegates in the Convention as they have in the lower House of the Legislature.

W. P. CANADAY, Chm'n Rep. District Committee.

Fayetteville Statesman, New Bern Republican-Courier and Times please copy.

#### BOARD OF ALDERMEN.—A special meeting of the Board of Aldermen, called by Mayor Canaday, was held yesterday afternoon; present, the Mayor and Aldermen Adrian, Fishplate, Grainger, Moore, Rice, Banks and Hankins.

The Mayor stated that he had called the Board together for the purpose of considering certain appointments made by him, last Monday, on the police force.

These appointments were made subject to the approval of the Board, and he recommended that the same be confirmed.

It was then ordered that the action of the Mayor in appointing Robert McKenzie as one of the night Captains, J. S. W. Eagles and E. Allen as Sergeants, and Martin Bohling, Simon Richardson, Benjamin T. Price, Alonzo Fletcher, C. C. Taylor, Wm. H. Howe, W. A. Daughlin, Lewis Bryant, Ed. McGallagher, W. H. Henderson, Jas. J. Canaday, Benj. R. King and John Ruck as privates, on the police force of the city, is hereby approved.

Petition of the tax-listers, praying that they be paid \$3 per diem for their services, as in previous years, was granted.

The Board then adjourned.

For the Post.

Editor Post: The campaign is about to open. The Democrats have met, conceived and brought forth. A Salary Grabber for Congress. A Ku-Klux Chief for Judge. A legislative remainder and constitutional patcher for Solicitor.

The way is open—all things are now ready. This Judicial District wants and must have a pure, impartial, just, uncontaminated and upright man for Judge. A substantial but not over money loving man for Congress—and a Solicitor of quick perceptions and ready business habits.

This county will, say give us Russell, our boy Judge, who went upon the Bench a beardless youth, and at once came in contact with the very best legal talent of the State. The boy's mind at once touched the chaotic mass, moulded it, and brought unity and strength out of confusion. Born a man, only waiting a few years to be developed a giant.

To-day Daniel L. Russell stands forth, without superiors, if an equal in the District or State.

Such men must be appreciated, and Daniel L. Russell must be elected Judge of the Fourth Judicial District.

Columbus county will roll up a majority for Russell that will astonish the natives.

SIGMA.

The Democratic papers have been boasting of the fact that they carried many towns in the State in the late municipal elections. Salisbury was hailed as having gone Democratic, among others. The facts in the case are briefly these: There was a Temperance ticket, consisting solely of Democrats, for Mayor and Commissioners. This ticket was supported as follows:

FOR MAYOR.

J. J. Stewart, 41.

FOR COMMISSIONERS.

W. A. Davis, 58.

E. Marsh, 54.

R. R. Crawford, 44.

B. F. Fraley, 77.

A. Parker, 53.

G. A. Bingham, 52.

H. N. Woodson, 36.

Andrew Murphy, 27.

The other ticket which was supported by the Republicans, and elected, was as follows:

FOR MAYOR.

Dr. Keen, 229.

COMMISSIONERS.

P. P. Meroney, 246.

J. M. McKorkle, (Rep.) 194.

A. L. Clarke (Rep.) 205.

S. E. Linton, 312.

M. L. Holmes, (Rep.) 243.

A. M. Sullivan, 198.

David L. Bringle, (Rep.) 211.

P. A. French, (Rep.) 201.

The old Ku Klux spirit shows itself in the threat which the News makes to publish the names of certain Democrats who belong to business firms in this city, who voted for Mr. Holden for Mayor. Such persons, says that paper, should be "marked and never trusted again." A citizen, it seems, is not to vote as he pleases lest he be "marked."

The bloody Ku Klux "mark" their victims. This, and in keeping with their bitter intolerance. And the News says it may publish names, so that "our country friends" may not trade any more with these firms. Republican say, "live and let live." Democracy, as represented by the News, says, if a man votes as he pleases, he is a traitor. If the News should be a little careful, if the names of these firms should be published by that paper with the intent to injure them in their business, the parties thus injured might sue the News for damages.—Era.

A letter from Havana, dated April 30th, says: Frederick Dockray was taken from Nuevitas on the 24th, of April, and taken to prison in Puerto Principe, no doubt for security's sake, as the Cubans have been so near Nuevitas as to render the capture of the place not difficult. Nothing new has, up to the present time, been made known regarding his case.

it publisher hopes it will prove a wel-

fare of the Cape Fear region, and the  
believers in progress, whether  
EDUCATIONAL,

Prospectus for 1874—Seventh year  
THE ALDINE  
An Illustrated Monthly Journal, univer-  
sally admitted to be the Handsomest Pe-  
riodical in the World. A Rep-  
resentative and Champion  
of American Taste.  
Not for Sale in Book or Music Stores  
THE ALDINE while issued with all the  
regularity, has none of the temporary or  
faintly interesting characteristic of ordinary  
periodicals. It is an elegant miscellany of  
pure, light and graceful literature; and a  
collection of pictures, the rarest specimens  
of artistic skill, in black and white. Al-  
though each succeeding number affords a  
fresh pleasure to its friends, the real value  
and beauty of THE ALDINE will be most  
appreciated after it has been bound up as  
the close of the year. While other pub-  
lications may claim superior cheapness, as  
compared with rivals of a similar class,  
THE ALDINE is an antique and original con-  
dition—alone and unapproached, abso-  
lutely without competition in price or char-  
acter. The possessor of a complete volume  
cannot duplicate the quality of fine paper  
and engravings in any other shape or num-  
ber of volumes for ten times its cost; and  
then, there are the chronos, besides.  
ART DEPARTMENT, 1874.  
The illustrations of THE ALDINE have  
won a world-wide reputation, and in the  
art centres of Europe it is an admitted fact  
that its wood cuts are examples of the high-  
est perfection ever attained. The common  
prejudice in favor of "steel plates," is rap-  
idly yielding to a more educated and dis-  
criminating taste which recognizes the ad-  
vantages of superior artistic quality with  
greater facility of production. The wood-  
cuts of THE ALDINE possess all the deli-  
cacy and elaborate finish of the most costly  
steel engravings, while they afford a more  
interesting and artistic original.  
To fully realize the wonderful work which  
THE ALDINE is doing for the cause of art  
culture in America, it is only necessary to  
consider the cost to the people of any other  
decent representations of the productions of  
great painters.  
In addition to designs by the members of  
the National Academy, and other noted  
American artists, THE ALDINE will repro-  
duce examples of the best foreign masters,  
selected with a view to the highest artistic  
success and greatest general interest. The  
subscribers to THE ALDINE will at a  
trifling cost, enjoy in their own home the  
pleasure and refining influences of true art.  
The quarterly tinted plates for 1874 will be  
by Thos. Moran and J. D. Woodward.  
The Christmas issue for 1874 will contain  
special designs appropriate to the season,  
by our best artists, and will surpass in attrac-  
tion any of its predecessors.  
PREMIUM FOR 1874.  
Every subscriber to THE ALDINE for  
the year 1874 will receive a pair of chronos.  
The original pictures were painted in oil for  
the publishers of THE ALDINE, Thos. Moran  
and J. D. Woodward, and were purchased  
by Congress for ten thousand dollars.  
The subjects were chosen to represent  
"The East" and "The West." One is a view  
in the White Mountains New Hampshire the  
other gives the cliffs of Green River, Wyom-  
ing Territory. The difference in the na-  
ture of the scenes themselves in a pleasing  
contrast, and affords a good display of the  
artist's scope and coloring. The chronos  
are each worked from thirty distinct plates,  
and are in size (12 x 16) and appearance ex-  
actly similar to the originals. The repre-  
sentation of a worthy example of America's  
greatest landscape painter to the subscribers  
of THE ALDINE was a bold and peculiarly  
happy idea, and its successful realization is  
attested by the following testimonial, over  
the signature of Mr. Moran himself:  
"NEWARK, N. J., Sept 20th,  
Messrs. JAMES SUTTON & Co.  
Gentlemen,—I am delighted with  
proofs of your chronos. They  
wonderfully successful representation by  
mechanical process of the original paintings.  
Very respectfully,  
THOS. MORAN.  
These chronos are in every sense American.  
They are by an original American process,  
with material of American manufacture,  
from designs of American scenery by an  
American painter, and presented to subscri-  
bers to the first successful American Art  
Journal. If no better because of all this they  
will certainly possess an interest no foreign  
production can inspire, and neither are they  
the worse if by reason of peculiar cir-  
cumstances of production they cost the publishers  
only a trifle, while equal in every respect to  
other chronos that are sold singly for double  
the subscription price of THE ALDINE.  
Persons of taste will prize these pictures for  
themselves—not for the price they cost, but  
did not cost, and will appreciate the enter-  
prise that renders their distribution possible.  
If any subscribers should indicate a pre-  
ference for a figure subject, the publishers  
will send "Thoughts of Home," a new and  
beautiful chronos, 12 x 20 inches, repre-  
sented a little Italian exile whose speaking  
eyes betray the longings of his heart.  
TERMS,  
\$5 per annum, in advance, with Oil  
Chronos free.  
For 50 Cents Extra, the chronos will be  
sent, mounted, varnished, and prepaid  
by mail.  
THE ALDINE will hereafter be obtain-  
able only by subscription. There will be no  
reduced or club rate; cash for subscriptions  
must be sent to the publishers direct, or  
handed to the local canvasser, with the pos-  
sibility to the publishers, except in cases  
where the certificate is given, bearing the  
facsimile signature of JAMES SUTTON & Co.  
CANYASSERS WANTED.

local canvasser will receive full and  
prompt information by applying to  
JAMES SUTTON & CO., Publishers,

THE SUN.  
WEEKLY, SEMI-WEEKLY, AND  
DAILY.  
THE WEEKLY SUN is too widely known  
to require any extended recommendation,  
but the reasons which have already given it  
fifty thousand subscribers, and which  
will, we hope, give it many thousands more,  
are briefly as follows.  
It is a first rate newspaper. All the news  
of the day will be found in it, condensed  
when unimportant, at full length when of  
moment, and always presented in a clear  
intelligible, and interesting manner.  
It is a first rate family paper, full of enter-  
taining and instructive reading of every  
kind, but containing nothing that could  
offend the most delicate and scrupulous taste.  
It is a first rate story paper. The best tales  
and romances of current literature are care-  
fully selected and legibly printed in its pa-  
ges.  
It is a first rate agricultural paper. The  
most fresh and instructive articles on agri-  
cultural topics regularly appear in this  
department.  
It is an independent political paper, be-  
longing to no party and wearing no color.  
It fights for principle, and for the election  
of the best men to office. It carefully re-  
sists its energies to the exposure of the  
great corruptions that now weaken and dis-  
grace our country and threaten to under-  
mine republican institutions altogether. It  
has no fear of knaves, and asks no favors  
from their supporters.  
It reports the fashions for the ladies and  
the markets for the men, especially the cat-  
markets, to which it pays particular at-  
tention.  
Finally, it is the cheapest paper published.  
One dollar a year will secure it for any sub-  
scriber. It is not necessary to get used club  
in order to have THE WEEKLY SUN at this  
rate. Any one who sends a single dol-  
lar will get the paper for a year.  
We have no traveling agents.  
THE WEEKLY SUN—Eight pages, fifty-  
six columns. Only \$1.00 a year. No dis-  
counts from this rule.  
THE SEMI-WEEKLY SUN—Same size  
as the Daily Sun. \$2.00 a year. A discount  
of 20 per cent. to clubs of 10 or over.  
THE DAILY SUN—A large four page  
newspaper of twenty eight columns. Daily  
circulation over 120,000. All the news for 2  
cents. Subscription price 50 cents a month,  
or \$6.00 a year. To clubs of 10 or over, a dis-  
count of 20 per cent. Address
